Re: Twin County Grocers
WINSTON Select Full Flavor/Lights B5G5F Brand Distribution

Dear Managers:

Twin County Grocers, which services Foodtown Supermarkets, has made a decision to reschedule adding WINSTON Select Lights (all brand styles) to their cigarette stock assortment until after cigarette price rollback has been rolled out to the retail trade.

All prebooks received for WINSTON Select Buy-5-Get-5-Free product will be honored when product becomes available at Twin County.

Please notify your Foodtown Supermarkets, where prebooks have been written, of Twin County Grocers decision.

Sincerely,

JIM
